

Thanksgiving Sale of Linens

We can save you money on Linens of all kinds. You are interested to know how much and why. We have planned for six or seven months on making this Thanksgiving Sale the best from point of value-giving and the largest from point of sales in our history. We have picked up different lines from time to time at actually less than the big importers could buy them for in the Old Country. Since then they have steadily advanced. Now, to realize our ambitions we throw this whole stock of Damasks, Napkins, Tray Cloths, Lunch Cloths, Scarfs, Towels, Doilies and Crashes on the market at what we feel conservative in saying is from fifteen to twenty-five per cent less than equal qualities could be bought to sell for today.

You See How and Why—Now, then.
